Helping People. Changing Lives.

KCEOC CAP Inc. is now accepting applications for the new Low Income Home Energy Assistance Program (LIHEAP) Summer Cooling Subsidy Component. Applications will be accepted from April 15th through May 30, 2025 or until designated funds are depleted on a first-come, first-serve basis. The program is designed to help offset the cost of a household's electric bills. Income eligibility for the program is up to and including 150% of the Federal Poverty Guidelines.

Benefits are paid directly to the electric vendor.

The Summer Subsidy Cooling Component provides households one-time benefit ranging from \$41 to \$250 depending on income levels and housing category.

## Basic Eligibility Requirements:

All applicants will be required to supply the following documentation at the time of application:

- Proof of Social Security Number or Permanent Residence card (Green Card) for each member of the household.
- Proof of all household's (all members) income from the preceding month.
- Most current electric service bill including account number and name on account, statement from your landlord if utility service expenses are included in your rent, statement from utility company if you participate in a Pre-Pay Program.

KCEOC CAP subcontracts the LIHEAP program through Community Action Kentucky which administers LIHEAP in partnership with the Kentucky Cabinet for Health and Family Services who receives the funding as a pass-through block grant from the U.S. Department of Health and Human Services.
